

BYE BYE BUGGY PERMISSION FORM

Appletree owns a Bye Bye Buggy for our use with your young children. The buggy is a stroller that can accommodate up to six children at one time. Each seat has a seat belt for the child's protection and the stroller comes with a foot break for adult usage.

We would like your permission to take your child out for a stroll around our parking lot area. The caregivers are also not allowed to use the buggy between the hours of 7:00-9:45 AM and 4:00-6:00 PM.

As stated in our Parents Handbook, Appletree does not have insurance for each child. By granting permission you are acknowledging that you are aware that children are not covered for accidents which occur on field trips. However, every precaution will be taken to insure a safe and fun outing for your child. Except in extreme cases your child will not be unbuckled until he/she has arrived safely to the door.

Our purpose with the Bye Bye Buggy is to provide some additional safe time outdoors for young children. Strolling outside in pleasant weather can be enjoyable and beneficial for all.

If you have further questions or would like to inspect the Buggy please feel free to do so.
